

## OPPOSE H.B. NO. 6618

I am a life-long resident of Connecticut and I strongly oppose bill #H.B. 6618 because 1) I believe God creates life, who are we to take it away? And 2) I believe in our Constitution: we ALL have a right to Life, Liberty and the Pursuit of Happiness. That includes babies.

I do not want my tax dollars supporting abortions, Connecticut or out-of-state. It's absurd to think my tax dollars going to pay for someone's abortion when it is against what I believe. And more absurd that we are trying to pass a bill to kill babies.
